## DESCRIPCION DEL LIBRO CANTOVICORUM

Cantovicòrum és un llibre-CD que recull una selecció de cançons interpretades per les veus de l'Orfeó Valencià Infantil, i constitueix una mostra del repertori singular que s'ha creat per a ell de manera expressa. A través d'aquestes cançons, els infants han començat a endinsar-se en l'apassionant univers del cant coral. L'obra inclou les lletres i les partitures per a interpretar les cançons, a més de les il·lustracions de Manuel Boix. Així, aquest cançoner ens trasllada a un món màgic, pròpiament infantil, amb històries de meduses, balenes i pirates; elefants, girafes i escorpins; planetes, cometes, estrelles i meteorits; que amb globus o vaixells ens fan viatjar per oceans i continents, selves i muntanyes, o per ciutats pròximes o llunyanes, amb torres, muralles i campanars, a Nadal o a Carnestoltes, amb alegries o amb tristeses. Però també hi trobem històries que ens parlen del valor de l'amistat, de la lectura, de l'amor i de la pau, del pas del temps, de la força del cant o del so de la nostra mar.
