CLARA ROCKMORE - WIKIPEDIA

Clara Reisenberg Rockmore (9 March 1911 - 10 May 1998) was a classical violin prodigy and a virtuoso performer of the theremin, an electronic musical instrument. She was the sister of pianist Nadia Reisenberg. Performed by Clara Rockmore (1911-1998), the first performer to bring complete musical artistry to the theremin. This song from suit "The Carnival of the Animals" Clara Rockmore was a pioneer of electronic music and, had she still been alive, would have turned 105 today. Rockmore was a master of the theremin - the world's first electronic music instrument. Founded in 2004, the Nadia Reisenberg/Clara Rockmore Foundation was created to honor the achievements and enhance the legacies of these two extraordinary sisters, the eminent pianist and teacher Nadia Reisenberg, and Clara Rockmore, unquestionably the world's greatest virtuoso of the theremin. Clara Rockmore made music from thin air. Trained from a young age as a violinist, Rockmore ultimately gave up the violin due to physical strain. This led her to discover the theremin, a gesture. From Wikipedia, the free encyclopedia: Clara Rockmore (born Clara Reisenberg, Vilnius, Lithuania, March 9, 1911; d. New York City, May 10, 1998) is generally considered to be the most accomplished performer ever of the theremin electronic musical instrument. Clara Rockmore studied violin in Leningrad with Leopold Auer, and both emigrated in the mid 20s to the USA. Her violin career was stopped due to muscular problems, but due to the fact that she knew Leon Theremin, who had recently developed his Theremin, she soon became a virtuoso on this new electronic instrument, performing with the first. Clara Rockmore's mastery of her instrument is astonishing. The music is tastefully chosen and very beautiful. She often mimics violin or human voice in her phrasing, but subtly gives the theremin its own voice and proves its suitability for classical. Clara Rockmore was the Skrillex of her day. Unlike today, electronic music was not at its height in the 1930s. Nonetheless, Rockmore's ability to create beautifully melodic sounds with the. Clara Rockmore was a master of the Theremin, the instrument that inspired much of the best electronic music in

the world and led to the first synthesiser. **CLARA ROCKMORE: BIOGRAPHY** Clara (Reisenberg) Rockmore holds a unique place in music history as the star performer of the theremin. Born in Russia, March 9, 1911, Clara inherited the family trait of perfect pitch and could pick out melodies on the piano at age two. Though the theremin now holds its own in the world's musical history, made famous by its trademark sound as used by bands like the Beach Boys, it started its life as more of a scientific toy. In 1975, electronic music pioneer Robert Moog realized a long-held dream at his own expense, to document in high quality recordings the artistry of his idol, Theremin virtuoso Clara Rockmore, who was getting on in years. Clara Rockmore (born Clara Reisenberg, Vilnius, Lithuania, March 9, 1911; d. New York City, May 10, 1998) is generally considered to be the greatest player of the theremin electronic musical instrument since its invention and was without peer in the early decades of its use.
