DESCRIPCION DEL LIBRO ENTRE NARANJOS

Como sus coetáneos del 98, Blasco Ibañez sintió a España como el que más, y bajo la etiqueta de epígono del Naturalismo hay en realidad un escritor original, impulsivo e impetuoso." Entre naranjos" tiene la estructura de un viaje interior por el alma de sus protagonistas, Rafael y Leonora, y especialmente por el espíritu de Rafael que actúa de catalizador de la vida de Leonora, mucho más interesante y compleja. La música y la política son los temas a través de los cuales se viven momentos de amor de una intensidad romántica y modernista.
