DESCRIPCION DEL LIBRO GHOST STORIES

Throughout his illustrious writing career, Charles Dickens often turned his hand to fashioning short pieces of ghostly fiction. Even in his first successful work, *The Pickwick Papers*, you will find five ghost stories, all of which are included in this collection. Dickens began the tradition of 'the ghost story at Christmas', and many of his tales in this genre are presented here, including the brilliant novella 'The Haunted Man and the Ghost's Bargain', which deserves to be as well-known as *A Christmas Carol*. While all his supernatural tales aim to send a shiver down the spine, they are not without the usual traits of Dickens' flamboyant style: his subtle wit, biting irony, humorous incidents and moral observations. It is a mixture that makes these stories fascinating and entertaining as well as unsettling. To paraphrase the Fat Boy in *The Pickwick Papers*: Charles Dickens 'wants to make your flesh creep'. This collection brings together all Dickens' ghost stories - twenty in all - including several longer tales. Here are chilling histories of coincidence, insanity and revenge. This Macmillan Collector's Library edition of *Ghost Stories* is illustrated by various artists, with an afterword by David Stuart Davies. Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

YOUR GHOST STORIES
