Wilhelm Dilthey (1833-1911), German philosopher, historian, literary critic, and biographer, was professor of philosophy at Basel in 1867, at Kiel from 1868 to 1870, at Breslau from 1871 to 1881, and at Berlin, where he succeeded Hermann Lotze in 1882. UNIVERSITAT DE VALÈNCIA. Departamento de Filosofía del Derecho, Moral y Política Programa de doctorado: Ética y Democracia Dilthey y Goethe Wilhelm Dilthey: Wilhelm Dilthey, German philosopher who made important contributions to a methodology of the humanities and other human sciences. He objected to the pervasive influence of the natural sciences and developed a philosophy of life that perceived man in his historical contingency and changeability. The importance of Goethe for Dilthey's philosophy has been repeatedly highlighted in the Dilthey studies, with particular regard to the influence of Goethe's morphology on the development of a theory of poetic imagination. This introduction to the human sciences is intended to aid all those whose lifework is devoted to society - politicians and lawyers, theologians and educators - in coming to know how their guiding principles and rules relate to the encompassing reality of human society. Bildungsroman is normally dated to the publication of Wilhelm Meister's Apprenticeship by Johann Wolfgang Goethe in 1795-96, or, sometimes, to Christoph Martin Wieland's *Geschichte des Agathon* of 1767. According to Dilthey, the prototypical Bildungsroman is Goethe's *Wilhelm Meister's Apprenticeship* in which the hero engages in a double task of self-integration and integration into society. Wilhelm Dilthey has 69 books on Goodreads with 649 ratings. Wilhelm Dilthey's most popular book is *Introduction to the Human Sciences: An Attempt to Lay*. Wilhelm Dilthey was a German philosopher who lived from 1833-1911. Dilthey is best known for the way he distinguished between the natural and human sciences. Whereas the main task of the natural sciences is to arrive at law-based causal explanations, the core task of the human sciences is the understanding of the organizational structures of. Goethe's friend." Dilthey means Eastern Europe, especially Russia. 32 POETICS influence in this society has become more ruthless and demands the exploitation of. In this work Dilthey subscribes to Schleiermacher's idea that the *iter hermeneuticum* is the reverse of the *iter geneticum* and, thus, that the effort to understand a work of art should try to lead to a re-experiencing of the mental processes of the work's
