## DESCRIPCION DEL LIBRO KANADA

Kanada comienza donde la mayoría de las novelas de la Segunda Guerra Mundial terminan: con el fin del conflicto. Porque en 1945 se interrumpen las matanzas, pero se inicia otra tragedia: el imposible regreso a casa de millones de supervivientes. El protagonista de Kanada lo ha perdido todo. Sólo le queda su antigua residencia, un improvisado refugio en el que acabará encerrándose para protegerse de una amenaza indefinida. Rodeado por unos vecinos que tan pronto parecen sus salvadores como sus carceleros, emprenderá un viaje interior que lo llevará muy lejos, hasta el oscuro país de Kanada de donde afirma proceder. ¿Qué hacer cuando las circunstancias nos empujan a realizar actos de los que nunca nos creímos capaces? ¿Cómo recobrar nuestra identidad cuando se nos ha arrebatado todo?

## CANADA - WIKIPEDIA

Canada (French: ) is a country located in the northern part of North America. Its ten provinces and three territories extend from the Atlantic to the Pacific and northward into the Arctic Ocean, covering 9.98 million square kilometres (3.85 million square miles), making it the world's second-largest country by total area.
