## DESCRIPCION DEL LIBRO KID LOBOTOMY

Kid es el hijo más joven de un rico y demente magnate hotelero llamado Big Daddy. Kid es, además, el nuevo gerente al mando de The Suites, pero su atractivo y arrogancia no bastan para ocultar una dura infancia marcada por extrañas terapias y desmanes quirúrgicos en su cerebro que han despertado sus demonios interiores. Esto, por supuesto, le convierte en alguien perfectamente cualificado para practicar lobotomías. Tras su fracaso como estrella de rock (y su éxito para llegar a las más altas cimas de la locura), Kid deberá probar su valía y recobrar su cordura haciendo que el hotel que adoraba de niño se convierta en un negocio lucrativo a pesar de los muchos obstáculos que encontrará en su camino: seductoras cambiaformas, héroes literarios muertos y la propia hermana de Kid.
