DESCRIPCION DEL LIBRO POETICA

¿Qué clase de cosa es un poema? En torno a esta pregunta, en apariencia simple, Josu Landa aborda el que ha sido uno de los asuntos centrales de la filosofía. A partir de Heráclito, los sofistas, Platón y Aristóteles, la historia del pensamiento ha sido, en mayor o menor medida, un proceso de producción teórica acerca de lo poético. En tiempos posteriores a la impugnación de pensadores contemporáneos a la metafísica —Kant, Nietzsche, Heidegger—, la filosofía ha replanteado su relación con la poesía a tal punto que algunos como Badiou llegan a afirmar que el presente corresponde, en filosofía, a la 'era de los poetas'. El lector encontrará en estas páginas una lúcida reflexión sobre la realidad del poema y los problemas que implica su estudio; vocablos como 'enigma' o 'misterio', tan inesperadamente asociados a la poesía y su mundo —ya Platón la vinculaba a los poderes divinos—, si bien dan cuenta de la dificultad teórica del tema, no lo oscurecen sino que le dan vida. Josu Landa parte del reconocimiento de la especificidad del lenguaje de la filosofía y el derecho que ésta tiene de interrogar sobre la poesía y dar razones de su naturaleza, para luego, manteniéndose a distancia de los terrenos de la crítica o el comentario erudito, valerse de tal lenguaje para proponer las bases de una ontología de lo poético o —en otras palabras y según la vaguedad de este último término— una teoría del ser del texto que aspira a realizarse como poema.

POETICA" - CROSSWORD PUZZLE CLUE
