## QUILT STORY

Weekend Quilting is a great new book from Jemima Flendt of Tied with a ribbon. It is a great book with tons of projects, and many small projects which is great for me these summer days when I don't feel I can get big projects done. we also offer wholesale prices, if you are a shop owner contact us for more information The Quilt Story is about a girl who discovers an old patchwork quilt in the attic. This child takes it and makes it her own which helps her feel more at more in a new house and place. This book would be a good one to read before grandparents day or another time when visitors are coming. Explain what a quilt is and what a story quilt is. Identify elements in quilts, such as colors, shapes, patterns, and symbols. Realize that quilts can be objects of both everyday use and art. "A quilt that provides warmth, fun, and comfort to two different generations is the star of this rich picture book. . . dePaola provides a warm, dignified interpretation of Johnston's story." -- Booklist , starred review Story Quilts. Background Information Applique and other old quilting techniques were brought to the United States by slaves from Senegal, Ghana, Nigeria, and Angola, and were an influence on quilting in the American South. The Quilt Story by Tony Johnston Summary of the Story. A pioneer mother stitches a quilt for her daughter. The little girl plays with it and is comforted by it when they move to another place to live. On a snowy, winter night, a mother works by candlelight as she stitches together a quilt for her daughter, Abigail. It is a quilt that has taken all winter for the mother to make, and she lovingly stitches Abigail's name into its design, along with pictures of birds and stars shooting across the sky. The Quilt Story by Tony Johnston, Tomie dePaola After a move to a new home, comfort comes from a surprising place. Long ago, a young girl named Abigail put her beloved patchwork quilt in the attic. Every quilt tells a story, every quilter is an author. Whether you're marking a special occasion, celebrating someone you love, or just to expressing yourself, every color, texture, embellishment and stitch speaks. Story Quilt is a patchwork of stories. Our online magazine collects stories, and poems, and art for the relaxed

entertainment of all readers and viewers world-wide. How do quilts tell stories?. Quilting is a great combination of geometry and art. You don't have to be an expert with a sewing machine to try your hand at quilting. A quilt is a multi-layered textile, traditionally composed of three layers of fiber: a woven cloth top, a layer of batting or wadding, and a woven back, combined using the technique of quilting, the process of sewing the three layers together.
