DESCRIPCION DEL LIBRO ROBERT ROSSEN

Guionista en la Warner durante diez años, Robert Rossen (Nueva York, 1908-1966) fue pionero en luchar por la independencia creativa, lo que le llevó a convertirse también en director y productor de sus películas. El olvido al que ha sido sometida la obra de Rossen transfigura la historia del cine no otorgándole la posición fundamental que debería ocupar en el cine universal. Figura central en la definición del cine social y del "noir" durante las décadas de los cuarenta y cincuenta, será el renovador del cine norteamericano en los sesenta y el pionero en introducir las formas del nuevo cine europeo, representado por Bergman o Fellini, en los Estados Unidos. La experiencia vital y su compromiso ideológico serán sus motores creativos en una obra en la que la honestidad intelectual, el rigor y la brillantez visual se dan la mano para conmovernos y enfrentarnos a las preguntas esenciales que todo hombre habría de hacerse confrontado a la sociedad.

ROBERT ROSSEN - WIKIPEDIA

Robert Rossen (March 16, 1908 - February 18, 1966) was an American screenwriter, film director, and producer whose film career spanned almost three decades.
