DESCRIPCION DEL LIBRO UNDERSTANDING MEDIA

When Marshall McLuhan first coined the phrases global village and the medium is the message in 1964, no-one could have predicted today's information-dependent planet. No-one, that is, except for a handful of science fiction writers and Marshall McLuhan. Understanding Media was written twenty years before the PC revolution and thirty years before the rise of the Internet. Yet McLuhan's insights into our engagement with a variety of media led to a complete rethinking of our entire society. He believed that the message of electronic media foretold the end of humanity as it was known. In 1964, this looked like the paranoid babblings of a madman. In our 21st century digital world, the madman looks quite sane. Understanding Media : the most important book ever written on communication. Ignore its message at your peril.

UNDERSTANDING MEDIA - WIKIPEDIA

Understanding Media: The Extensions of Man is a 1964 book by Marshall McLuhan, in which the author proposes that the media, not the content that they carry, should be the focus of study. This reissue of Understanding Media marks the thirtieth anniversary (1964-1994) of Marshall McLuhan's classic expose on the state of the then emerging phenomenon of mass media. Terms and phrases such as "the global village" and "the medium is the message" are now part of the lexicon, and McLuhan's theories continue to challenge our. Terms and phrases such as the global village and the medium is the message are now part of the lexicon UNDERSTANDING MEDIA is a challenging, zesty, occasionally outrageous book that was first published in 1964 and sent media studies -- and their applications to such fields as advertising --straight into orbit. various media Whether the extension of consciousness, so long sought by advertisers for specific products, will be "a good thing" is a question that admits of a wide solution. In a culture like ours, long accustomed to splitting and dividing all things as a means of control, it is sometimes a bit of a shock to be reminded that, in operational and practical fact, the medium is the message. McLuhan wrote

Understanding Media, in part, as a warning about the effects of media that we are ignoring. One of McLuhan's antidotes is awareness; by being aware of the effects our media have on us we can be in a better position to counteract them. Understanding Media Homework Help Questions. How is current media different from older media?"Media" is the plural of "medium," and a medium is a method of transmission. Reading Understanding Media brings to mind the old line that Shakespeare's plays are nothing but a bunch of clichés. McLuhan's 1964 look at the impact of technology and communications on society is laced with phrases that have become fixtures of modern language, like 'Global Village', 'Age of Information' and 'The medium is the message'. Understanding Media and Culture: An Introduction to Mass Communication.. Cultural Values Shape Media; Media Shape Cultural Values; Mass Media and Popular Culture; Description. Understanding Media in the Digital Age teaches students how to navigate the world of traditional and new media while fostering a critical understanding of mass communication theory, history, active research findings, and professional experience. "With the arrival of electric technology, man has extended, or set outside himself, a live model of the central nervous system itself. To the degree that this is so, it is a development that suggests a desperate suicidal autoamputation, as if the central nervous system could no longer depend on the physical organs to be protective buffers against the slings and arrows of outrageous mechanism. Understanding Media was written twenty years before the PC revolution and thirty years before the rise of the Internet. Yet McLuhan's insights into our engagement with a variety of media led to a complete rethinking of our entire society.
